AUGUSTA, GA.

We are now prepared to fill all orders for any of our own brands of FERTILIZE its, or make them to order as may be desired. As our facilities have been greatly enlarged the past serson, we can furnish High Grade Fertilizers to the trade at prices which defy competition when the grade of our goods is considered.

Remember that a Fertilizer which contains only one per cent, more of Soluble Phos.

Acid is worth \$2.50 per ton more than another which contains just that muca less. Our central location enables us to deliver our Guanos to purchasers in the interior

much more promptly, in better condition, and at less cost than a Northern manufacturer, or one located on the cost.

AMMONIATED GUANOS.—Our brands of Mastodon and Georgia Patapaco Guanos, and Lowe's Formula, are so well known in the South, I only refer to them to say that they are fully up to the standard of past seasons. ACID PHOSPHATE.-The demand for this article in the past has exceeded the capacity of our Works. We challenge competition in the practical results obtained from the use of it. We have a stock on hand which we are prepared to sell at a very small profit to dealers. By reference to the report of the Commissioner of Agricu-

ture for the present season, it will be found that our analyses were as follows: NAME. The Georgia Patapseo Ammoniated Sol. Phosphate-Georgia Chemical Works 1,40 2,05 9,70 11.75 3.00 12.20 12.20
